

Advocacy Alert
There is still time to make your voice heard in support of the
Historic Preservation Incentive Program!
June 15, 2009

House Bill 42 was moved off the House Calendar last week, but is on the agenda for second consideration today (Monday, June 15) and could have final passage this week. If you have not yet had a chance to let your House Representative know about your support of HB 42, please take the time to do so today.

This legislation will provide tax credits to commercial historic rehabilitation projects and grants to homeowners for rehabilitation of private homes. Tax credits of up to \$500,000 per commercial project and grants of up to \$15,000 per private residence will be available to historic properties (those over 50 years of age) located in local and National Register historic districts and Main Street and Elm Street communities. [Click here to view HB 42.](#)

We need you to contact your House Representative TODAY to urge them to support [HB 42.](#)

Please e-mail, phone or fax your Representative and tell them how important this bill is to your community and to economic development and job creation in your area. If you have a specific example of a building that would benefit from this program, please share that as well. This legislation will only pass with your direct grassroots involvement. Your Representative needs to hear from YOU!

To find out how to contact your Representative, go to this website: <http://www.legis.state.pa.us/index.cfm> and enter your zip code in the upper right hand corner.

Please contact your Representative now! We need everyone's help!

Thank you!

Preservation Pennsylvania is the Commonwealth's only statewide, private non-profit, membership organization dedicated to the protection of historically and architecturally significant properties.
