

2026 PENNSYLVANIA AT RISK

Pennsylvania At Risk (PAR) raises awareness about threatened properties that are a representative sampling of the Commonwealth's most endangered historic resources. It is a useful tool for a local group of advocates to use to rally support for a beloved landmark.

"Endangerment" is defined as threat of Inappropriate Alteration, Compromised Setting, Physical Deterioration, or Demolition. (See eligibility requirements further below.)

2026 PAR applications must be submitted before midnight on Monday February 9, 2026. Email your submission (or send a link via WeTransfer, Dropbox, Google Drive) to

We expect to announce Pennsylvania At Risk list in April 2026.
